

VINYL TENSION BRACKET SYSTEM

THE VERSITILE, SIMPLE TO INSTALL WALL SYSTEM

The Formetco Frameless Wallscape system is the most economical and ideal system available for interior and exterior wall mounted banner applications

With Formetco's exclusive Vinyl Tensioning Brackets, small and large-format copy can be easily installed safely and quickly. Copy as large as 14' x 48' can be stretched and secured; wrinkle free, over tensioning clips that are virtually out of sight. The Vinyl Tensioning Brackets are made of heavy-duty galvanized metal for superior weather durability. Our Frameless system can be ordered to accommodate any standard or custom sized wall mounted banner.

Features and Benefits

- Flexible, easy to install wall mount system that can be installed onto a variety of surfaces
- Extreme low profile at only 1" when mounted
- Fully adjustable for under or oversized small and large-format copy
- Copy is easily tensioned from the sides and stretched tight using our exclusive Vinyl Tensioning Brackets
- Copy is finished with pole pockets and can be quickly and easily changed out with just a push or pull of a pin, and a cordless drill
- Made of high quality galvanized steel for years of outdoor longevity
- Eliminates the use of ratchet straps, grommets, cables, bungee cords, and spring hooks
