

# HEAVY DUTY RATCHET STRAPS

ENGINEERED FOR SECURITY & TESTED FOR LONGEVITY

**Formetco's tried and tested Heavy Duty Ratchet Straps are the industry standard and most commonly used ratchet for stretching and securing flexible billboard vinyl's.**

Our ratchets are the most economical and reliable way to tension flex faces when partnered with our solid fiberglass Grip-per Bars. Check out our video on how to use Ratchet Straps by visiting our website.

- Extra wide ratchet assembly handle for easier grip & maximum leverage
- Ratchet Buckle Tensile: 3,300 lb.
- BBS: 1,980 lb.
- Working Load Limit: 600 lb.
- S-hook fastener type with large opening
- Dichromate finished ratchet assembly & s-hooks
- 1" UV Protected black industrial polyester strapping with robust stitching
- Available in four lengths; 5 ft. 3 in. (63 in.), 6 ½ ft. (78 inch), 14 ft. (168 inch), and 16 ft. (192 inch)
- Color coded tags for easy identification of strap length; 63" Orange, 78" Green, 168" Yellow, & 192" Red
- Sold (30) units per case

*All ratchet assemblies should be inspected before each use, follow steps listed on the backside of the ratchet assembly tag. Straps that are cut, frayed, worn, or damaged should be removed from service and replaced immediately. To prevent damage from metal edges we suggest using rubber/plastic strap protectors; they are inexpensive, easy to make & use, and will help maintain the integrity of your ratchet straps. Clean and lubricate to ensure that the ratchet assembly is in proper operating condition.*
