

# BULLETIN PANEL SAVERS

REVITALIZE THE BOTTOM OF YOUR WOOD OR METAL BULLETIN FACES

**FRONT AFTER**

**BACK BEFORE**

**BACK AFTER**

## **Bulletin Panel Savers Create a Suitable Surface for Attaching Formetco Vinyl Tension Brackets. Highly Recommended for Increased Panel Life.**

After receiving requests from several outdoor operators to solve a rotting and rusting issue that was plaguing the bottom of their wood and metal bulletin faces due to water accumulation in the bottom pocket of the wrapped FlexFace Vinyl, Formetco committed to finding a solution

that was both economical and durable. In collaboration with our customers, we developed the Bulletin Panel Savers and are excited to offer this product to the outdoor advertising industry.

### **Features and Benefits**

- Made of strong 20 gauge G-90 galvanized sheet metal for durability
- Extends the life of existing panels
- Creates a smooth edge for wrapping FlexFace Vinyl
- Stocked in 12' lengths, custom sizes available upon request
- Available for use on wood panels and all types of metal panels
- Available with or without round head stainless steel screws, which eliminates vinyl wear and tear
